Sir,

Subject : Installation of a Radio Set at Anekal Town Municipality

I have the honour to state that a 5 valve G E Radio set of Model K-125 C A A C I D C was purchased by the Anekal Town Municipality at a cost of Rs 405/- as detailed in the margin. The Secretary of the Mysore War Fund Committee has Cost of Radio Set Rs 230/- I intimated in his letter No 6314 15 d dated 27 (copy enclosed) that a sum of Rs 130/- would be paid as grant from Mysore War Funds in the Amildar President of the Municipality reports that a sum of Rs 134-6-3 raised by public subscriptions long back towards the purchase of the Radio Set has been utilized for this purpose. Deducting the above quotes of subscription and grant from war funds the balance due to the Firm is Rs 30-9-9. The Municipal Council have resolved at their meeting held on 25-9-1942 that this expenditure of Rs 30-9-9 may be met out of closing balance of the municipality for the current year. The Amildar President further reports that the Radio set has been installed in the Municipal Reading Room for public amusement and broadcasting accurate war news. The recurring expenses will be borne by the municipality.
